

FGV SAO PAULO LAW SCHOOL

ACADEMIC MASTER AND PHD PROGRAMS

**CALL FOR APPLICATIONS – FGV SAO PAULO LAW SCHOOL’S
POST-DOCTORAL GLOBAL FELLOWSHIP / CAPES-PRINT
PROGRAM**

1. THE POST-DOCTORAL PROGRAM

The FGV Law School is inviting applications for three post-doctoral positions at the Global Fellowship / CAPES-Print Program. The FGV Sao Paulo Law School’s Post-Doctoral Program is open to candidates who have recently completed their doctoral degree and whose research interests are aligned with the “Law and Development” field.

The Program provides early-career researchers the opportunity to develop their academic skills by providing an interdisciplinary and diversified academic environment. Moreover, it promotes additional training in research methods and writing through monthly seminars conducted by FGV Law School professors.

The Post-Doctoral Program aims to stimulate researchers to take part in international and interdisciplinary research networks and expand the frontiers in the “Law and Development” research agenda.

The fellowships last for one semester, renewable once. They will be funded by FGV Sao Paulo Law School and [CAPES-PrInt](#). Applicants can find selection rules in the attached files below.
